Monday

	Global Health Policy	Community and Global Health	Human Genetics	Developmental Medical Sciences	Human Ecology	Biomedical Chemistry**	Global Environmental Medicine*	International Cooperation for Medical Education	Global Environmental Health	Office of International Academic Affairs*
1st										
2nd										
3rd										
4th										
5th										
6th										

## Tuesday

	Global Health Policy	Community and Global Health	Human Genetics	Developmental Medical Sciences	Human Ecology	Biomedical Chemistry**	Global Environmental Medicine*	International Cooperation for Medical Education	Global Environmental Health	Office of International Academic Affairs*
1st										
2nd									Seminar (Enshu)	
3rd	Special Lecture in Global Health Policy II									
4th										
5th										
6th										

## Wednesday

	Global Health Policy	Community and Global Health	Human Genetics	Developmental Medical Sciences	Human Ecology	Biomedical Chemistry**	Global Environmental Medicine*	International Cooperation for Medical Education	Global Environmental Health	Office of International Academic Affairs*
1st								(A1 only) International Cooperation for Medical		
2nd								Education		
3rd	Lab seminar (Enshu)			Lab meeting						
4th										
5th			Special Lecture in Human Genetics II							
6th										

## Thursday

	Global Health Policy	Community and Global Health	Human Genetics	Developmental Medical Sciences	Human Ecology	Biomedical Chemistry**	Global Environmental Medicine*	International Cooperation for Medical Education	Global Environmental Health	Office of International Academic Affairs*
1st		Lab seminar	Lab seminar		Lab seminar					
2nd		Lab seminar	Lab seminar	Special Lecture in Developmental Medical Sciences II	Lab seminar					
3rd										
4th										
5th										
6th										

Friday

	Global Health Policy	Community and Global Health	Human Genetics	Developmental Medical Sciences	Human Ecology	Biomedical Chemistry**	Global Environmental Medicine*	International Cooperation for Medical Education	Global Environmental Health	Office of International Academic Affairs*
1st										
2nd										
3rd		Community and Global								
4th		Health Lecture 2								
5th										

\* Global Enviromental Medicine and Office of International Academic Affairs will not offer lectures in FY2024.

\*\*The lab seminar usualy held from 10:00 am on Monday every 3 weeks and lecture schedule on Biomedical Chemistry\*\*
